

Northwest Florida State College AU-ABC Program

The following program is specifically designed for Airmen with a [Community College of the Air Force \(CCAF\)](#) Associate of Applied Science (AAS) degree. As an approved AU-ABC program, CCAF graduates are guaranteed that no more than 60 semester hours of additional credit will be required to complete the [BAS in Management and Supervision with an Emphasis in Military Science and Leadership](#) at Northwest Florida State College (NWFSC).

Students may also be eligible to earn the [AAS in Applied Management Degree](#) and the [Associate of Arts \(AA\) Degree](#) upon completion of the BAS Curriculum at NWFSC.

BAS in Management and Supervision Military Science and Leadership Emphasis			
Degree Requirements	Required Semester Credits	CCAF Transfer Credits	Course Credits to take at NWFSC
General Education	36	18	18
ENC 1101 - English Composition I	3	3 ¹	0
ENC 1102 - English Composition II	3	0	3
_____ - Core Humanities	3	0	3
_____ - General or Core Humanities	3	3 ²	0
STA 2023 - Statistics or other Core Mathematics	3	3 ³	0
MAC 1105 - College Algebra or other General or Core Mathematics	3	0	3
_____ - General Education Biological Sciences ⁴	3	0	3
_____ - General Education Physical Sciences ⁵	3	0	3
_____ - History/Government Social Sciences ⁶	3	3	0
_____ - Behavioral Social Sciences ⁶	3	0	3
_____ - Additional General Education Credits	6	6 ⁷	0

¹ CCAF graduates who do not have a transfer course equivalent to ENC 1101 must take ENC 1101 at NWFSC. In this instance, GEB 3213 will then be utilized to satisfy the additional general education composition requirement of ENC 1102. Faculty must be provided by the Communications department to ensure equivalent course SLOs (student learning outcomes). Students who substitute GEB 3213 for ENC 1102 will then be required to take a Literature course to fulfill the Humanities course taken at NWFSC.

² Students substituting GEB 3213 for ENC 1102 must take a Literature course for their General or Core Humanities.

³ CCAF graduates who do not have a transfer course equivalent to an NWFSC general education mathematics course may utilize QMB 3250 to satisfy one of the general education mathematics requirements, probably STA 2023.

⁴ One or both of the Biological or Physical Sciences must come from a core group. See [AA Degree General Education Requirements](#) for details.

⁵ One or both of the Biological or Physical Sciences must come from a core group. See [AA Degree General Education Requirements](#) for details.

⁶ One or both of the Social Sciences must come from a core group. See [AA Degree General Education Requirements](#) for details. Note that students whose transfer credits do not meet the Civic Literacy requirement must satisfy this requirement. See catalog.

⁷ CCAF graduates may use oral communication and another course, such as a wellness equivalent, to satisfy the additional general education requirements. Students who have not met the foreign language requirement may do so in their Additional General Education credit. See catalog.
