Class Attendance

Students are expected to attend all of their scheduled classes, as attendance is one of the strongest predictors of success. Students who stop attending class or are not able to pass the course due to attendance expectations may receive a failing grade, which may impact the receipt of federal aid in subsequent courses. Students traveling for College-approved activities will not be penalized academically but will be responsible for missed work.

Attendance Confirmation

Active participation and academic engagement are expectations of enrollment in this course. Faculty confirm each student's attendance in class after the schedule adjustment period ends. Students who have not attended class or otherwise engaged academically in the course through the submission of an academic assignment or through participation in a curricular activity may be withdrawn from the course for nonattendance.

Students who are withdrawn for nonattendance or nonparticipation early in the course may request to be reinstated in the course by contacting their instructor by email. Reinstatement in the course is at the instructor's discretion during the first three weeks of class and is not guaranteed. Reinstatement requests occurring after this three-week period may be submitted to the instructor for consideration; however, additional administrative approval will be required to grant the reinstatement. If you are withdrawn from a course due to nonattendance and are not granted reinstatement in the course, please contact a Student Success Navigator for assistance.

Classroom Conduct

Electronic devices must not distract from learning. Courtesy to the professor and other students requires that phones be on vibrate or silent mode during class. No student should initiate outside conversations, including texts, during class activities. Inappropriate use of electronic communication devices during examinations or other graded activities may constitute grounds for disciplinary action; such devices must be completely out of sight during exams or other assessments. Where emergency or employment situations require access to electronic communication services, arrangements may be made in advance with the instructor.

The College is dedicated to working with faculty and students to ensure timely course and program completion during emergencies. In the event of a College closure, the format of this course may be modified to enable completion of the course through other means, including but not limited to online course delivery through online classrooms. Student Rights, Responsibilities, and Academic Integrity

Students are responsible for adherence to all college policies and procedures, including those related to academic freedom, cheating, classroom conduct, computer/network/email use and other items included in the *Northwest Florida State College Catalog and Student Handbook*. Students should be familiar with the rights and responsibilities detailed in the current *Northwest Florida State College Catalog and Student Handbook*. Plagiarism, cheating, or any other form of academic dishonesty is a serious breach of student responsibilities and may trigger consequences which range from a failing grade to formal disciplinary action. NWFSC prohibits the use of AI tools, such as ChatGPT, to generate text that students represent as their own independent creation.

Academic Integrity Tools

Northwest Florida State College subscribes to **Turnitin**, an online plagiarism detection and prevention service. By enrolling in this class, students are consenting to upload their papers to **Turnitin**, where they will be checked for plagiarism. Papers submitted to **Turnitin** may be saved as source documents within these databases solely for the purpose of detecting plagiarism in other papers.

Student Dispute Resolution

NWFSC aims to deliver high-quality instructional experiences. In the event of a concern regarding a class, students should first attempt to resolve the matter with the instructor. If a resolution cannot be reached following a reasonable effort to resolve the dispute informally, students may seek out additional counsel in Academic Leadership through a formal process by submitting a Formal Grievance/Appeal form. Students seeking to file a Final Grade Grievance must do so within 30 days of the final grade being posted.

Campus Resources

The College is committed to offering quality resources to aid in your success as a student. Review your LMS online classroom for information on these resources such as the library, tutoring, testing, military and veteran services, etc.

Accommodation Resources

To obtain disability-related academic accommodations, students with disabilities must contact the Accommodation Resource Center at arc@nwfsc.edu or call 850-729-6014. Please contact the Accommodation Resource Center with any questions or concerns relating to permanent or temporary student disabilities.

Students who have been approved for accommodations through the ARC are encouraged to work with their professor on facilitation. All inquiries and discussions will remain confidential.
