

ACADEMIC CALENDAR ACTIVITY

This activity helps dually enrolled students learn to read the academic calendar to ensure that deadlines are not missed regarding registration, drop/add, and withdrawal procedures. Students will need a copy of the Academic Calendar for the term they are reviewing. For this activity, we are using the Fall 2024 Term Dates.

You are student A. Student A currently has a fall schedule as seen below. Using the Fall Calendar provided, complete the spreadsheet by entering the information in the last 3 columns (Session, Drop/Add date, Withdrawal date).
